1.04 Work Session: Discussion on School Safety

The meeting opened with Mr. Bennett giving some information about the secured safety grant and the history of what the grant has been used for in the past. Some of the items this can be used for are school resource officer, conduct threat assessments, purchase equipment to restrict access to schools, firearm training, student parent support, active alert warnings. In the past we have used it for resource officer, update security cameras, update bus cameras and the film on the windows.

He also outlined some of the ideas the safety committee had discussed. The grant closes on June 30<sup>th</sup>.

The Board discussed installing metal detectors for the Jr/Sr High School and Elementary entrances, panic buttons, equipment for resource officers, upgrade ventilation in FACS room to prevent the need to have the outside door open.

Mr. Bennett will be getting quotes and see what will fit into this years security grant.
