- D. Step two

The grievance may submit in writing to his/her principal a statement of the nature of the grievance, the provision of the contract allegedly violated, the date of the occurrence, and the relief sought. If the grievance involves employees at more than one (1) school building, it may be filed with the Superintendent or the Superintendent's appointed designee. Within five (5) school days of receipt of the grievance, the principal shall meet with the grievance and an Association representative, at a mutually agreeable time, in an effort to resolve the grievance. The principal or designee shall indicate his/her disposition of the grievance within five (5) school days after the meeting by reducing his/her decision to writing and returning it to the teacher. A copy of the decision will be sent to the Association representative.

The Superintendent, or his/her designed representative, shall meet with the teacher and Association Representative at a mutually agreeable time, within five (5) school days. Within five (5) school days after the meeting, the Superintendent or his/her designee shall indicate in writing his/her decision and forward it to the teacher and Association Representative.

F. Step Four

If the teacher is not satisfied with the decision by the Superintendent, then the teacher may resubmit the grievance in writing to the School Board by sending it to the Superintendent. The School Board, within two (2) weeks of the filing of the appeal, shall meet with the teacher and the Association representative, if the teacher so elects, and the Superintendent or his/her designee, to review such grievance, unless either party shall request in writing that the meeting take place at a later date, but in no case later than thirty (30) days from the date of appeal in Step Three. NOTE: For Informational Purposes Only

All coaching positions that have student involvement which could warrant a second team for participation, will be considered for a second (A & B Teams) coach at that particular level (with the same pay) by recommendation of the Administration and approval of the School Board.

Extra-curricular assignments will be made in advance, whenever possible (in order to fully support the program and student body involved). However, the contract for coaching will not be awarded, nor honored until the Administration determines that a full team is established, and a full schedule of participation is projected for that particular season.
