BOBCATS CLASS

BOBCATS is a time period dedicated to work with students on both academic and personal growth. Students will have time for remediation or enrichment, to learn organizational skills, to focus on BOBCATS skills, and to get help with homework.

OFFICE HOURS

6:30 AM- 3:00 PM CST

SCHOOL HOURS

The regular school day begins at 7:20 am CST and the last class ends at 2:30 pm CST (except Friday release time is 2:00 pm CST). At 7:00 am CST students are allowed to go to lockers and the cafeteria for breakfast. When the warning bell rings at 7:15 am CST, students are to make their way to their first class. Any student arriving after 7:20 am CST MUST enter through the main office and sign in.

LUNCH PRICES/PAYMENT PROCEDURES

Breakfast and lunch are free to all students.. Families that apply for and are granted assistance will have their child's lunch provided to them at a reduced cost or even free. To see if you and your family are eligible, please see the office for the proper paperwork.

Parents can add money to a student's account electronically or pay by cash/check. If paying by cash or check, it needs to be placed in the school provided Lunch Money Envelope. This envelope is to be turned into the main office.

EMERGENCY PROCEDURES

In case of a fire, tornado, lockdown or any other emergency situation, all rooms have posted directions as to the procedures for such drills. There should be no inappropriate behavior, talk, or distractions during these procedures. Teachers are to take a class roster with them during all room evacuations. The School Safety and Crisis Plan will be followed.

VISITOR'S POLICY

While parent/guardian involvement is highly encouraged, a parent who wishes to visit a teacher(s) or class(es) during the school day will need to provide at least 24 hours notice. ALL visitors--regardless of the nature of their

visit to Oregon Davis Jr/Sr High School--must register in the Main Office as soon as they arrive at the building. Visitors will need to provide their driver's license to scan through our Raptor system. Oregon-Davis Jr/Sr High School students will not be allowed, under any circumstances, to bring visitors with them to classes during the school day. Former students are welcome to visit their teachers after 2:30 pm CST. Students transferring to O-D from another school may visit the school during scheduled classes, if arranged in advance with the Guidance Office.

SCHOOL RELATED INFORMATION, SEVERE WEATHER – SCHOOL CLOSING OR DELAY

In the event that Oregon-Davis Schools need to release school-related information or announce a school cancellation or delay, a notification will be posted on the school's [website](#), sent out via messenger call, and also sent to local media outlets. If school is to be delayed or closed, this will be done, if at all possible, before 6:45 a.m. CST. The Superintendent will be in his office from 7:00 a.m. until 4:00 p.m.CST and may be contacted by calling 574-867-2111.

MAKE-UP DAYS

The school calendar will be adjusted or extended to guarantee 180 student days as required by law. Oregon-Davis Schools have designated three Make-Up Days to accommodate school closures due to weather or other factors. These days are February 19, 2024, March 22, 2024 and May 6, 2024. If any additional make-up days are needed, they will be scheduled at the end of the school year. Any make-up day not used to recover a day of school will be taken as a day off for students and staff.

STUDENT LOCKERS

Each student is assigned a locker for the storage of books and equipment. Students are not to share lockers unless it has been assigned to them, and it is to be kept locked and in order at all times. Report all locker problems to the

main office. Since lockers are a permanent part of the building, students are expected to keep them in good condition. During the last week of school, a locker clean-out will be held and at that time, fines and charges will be levied for damage or cleaning made necessary by improper use of the locker.

Allowing students to use lockers in no way supersedes the Principal's authority or control over the use of the lockers. The Principal or his/her designee shall possess the authority to examine the contents of any locker located on school premises when he/she has reasonable suspicion to believe that the contents of the locker may include elements which:

- Present an immediate threat to the health, safety and welfare of students or staff.
- Are illegal to possess.
- Would contribute to the disruption of the normal education program.
- Have been reported stolen or lost.

The student is presumed to have no expectation of privacy in that locker or its contents. Students desiring to make use of school lockers will be advised at the time of acquiring the privilege of locker use, that such use is a privilege granted by the school system, and of the conditions specified for such use. Failure to comply with the conditions of use will result in revocation of the student's permission to use a locker.

The decision to examine a student's locker will be made by the Principal or his/her designee. The search will, when possible, be made in the presence of the student and at least one other adult witness. In the event of an emergency that may threaten the school or student safety, the locker may be searched without a student present. The discovery of illegal and/or dangerous materials will be reported to the parent/guardian, superintendent of schools, and when necessary, law enforcement officials.

VALUABLE ITEMS

Students should not bring items such as jewelry, expensive clothing, expensive electronics, large amounts of money, or other valuable or expensive items to school. Students who bring such items to school do so at their own risk. These items may be left in the Main Office. If taking and storing valuable items in the locker room, be sure to have all items secured in a locker. Students are responsible for providing their own locks for physical

education class. However, the school assumes no liability for any loss, theft, or damage of such items left in the office or any other areas of the school or school grounds.

BOOK BAGS

School-related book bags and backpacks are not allowed in the classrooms. Non-school related bags are not allowed in the classrooms and should remain in the school lockers. There should be no book bags and backpacks in the cafeteria. (School issued computer bags are the only bags permitted.)

TELEPHONES/CELL PHONES

The following policy is based upon Oregon-Davis School Corporation Bylaws and Policies (po5136):

Personal Communication Devices (*PCDs do not refer to school-issued devices): Personal communication devices ("PCDs") refer to personal-owned devices and include computers, laptops, tablets, e-readers, cellular or mobile phones, smartphones, telephone paging devices (e.g., beepers or pagers), and/or other web-enabled devices of any type.

Possession of a PCD is a privilege, which may be forfeited by a student if he/she has it visible in class, has it turned on in class, uses it during class. Some of the prohibited uses of a PCD include but are not limited to sending or receiving text messages, making or receiving phone calls, listening to music, taking pictures, and/or making videos/recordings.

Students using PCDs to record altercations on school grounds or at school events is prohibited. If this does occur, the student's PCD may be confiscated and used for evidence purposes.

Except as authorized by a teacher, administrator or IEP team/case conference committee ("CCC"), students are prohibited from using PCDs during the school day, including while off-campus on a field trip, to capture, record and/or transmit the words or sounds (i.e., audio) and/or images (i.e., pictures/video) of any student or staff member. Using a PCD to capture, record and/or transmit audio and/or pictures/video of an individual without proper consent is considered an invasion of privacy and is not permitted. Students who violate this provision and/or use a PCD to violate the privacy rights of another person may have their PCD confiscated and held until the

end of the school day when a parent/guardian picks it up. If the violation involves potentially illegal activity, the confiscated-PCD may be turned over to law enforcement.

Students are subject to disciplinary action for violation of this PCD policy and/or the refusal to hand over an item to any Oregon-Davis School Corporation staff member.

The use of PCDs that contain built-in cameras (i.e. devices that take still or motion pictures, whether in a digital or other format) are prohibited in classrooms, gymnasiums, locker rooms, shower facilities, rest/bathrooms and/or swimming pools. Students may use the school telephone located in the office for designated school business only (class, club, sports business, or emergency). Parents can leave important messages for their children by calling the jr./sr. high school main office at 574-867-4561. Parents are discouraged from calling/texting student cell phones during classroom hours. Parents must contact the main office if they need to pick up their child from school. Students leaving school grounds without permission from the main office are subject to disciplinary action.

1st Offense-Teacher sends phone to office and students receives back following a signed contract

2nd Offense-Phone sent to office and student comes to get at the end of the day

3rd Offense-Phone sent to office and parent must come pick up phone

4th Offense-Student keeps phone in office permanently during school day for remainder of 9 weeks

SCHOOL SPONSORED DANCES/PROM

Students in the appropriately designated grade(s) for any dance will be the only students permitted to attend. In order to go to the prom as a junior, the student must have at least 25 credits by the end of their fifth semester. If he/she does not have at least this many credits, he/she must be a guest of another junior or senior in order to attend. For students from other schools to attend a school sponsored dance, the Oregon-Davis student is responsible for obtaining the appropriate verification and approval for their guest. This form must be turned in to the dance sponsor prior to the dance. By school policy, the use, possession, concealment, or distribution of alcohol, drugs,

and/or other controlled substances is prohibited at all school sponsored dances. ODJSHS administration will act upon reasonable suspicion and reserves the right to breath test students at any time during an event.

EXTRA CURRICULAR AND SCHOOL SPONSORED EVENTS

Students attending any school sponsored event or extracurricular activity are still beholden to school policies and expectations. Violations of school rules will be dealt with in the same manner as other school policy/rules violations.

SECLUSION AND RESTRAINT

As a part of the emergency procedures in place in our schools, no student will be restrained and/or placed in seclusion by school staff unless the student's behavior poses an imminent risk of injury to him/herself or others. However, significant violations of the law including assaults on students and staff will be reported to the police. As soon as possible after any such use of restraint and/or seclusion, the parents or guardian will be informed when any of these actions have occurred and will be provided with a detailed account of the incident including the circumstances that led to the use of restraint and or seclusion.

HARASSMENT

It is a violation of law and of school rules for any student or staff member to take any of the following actions toward another student, a staff member, or any person associated with the school corporation while on Corporation property, or at any school-related event that takes place on or off Corporation property:

A. SEXUAL HARASSMENT

Students will not exhibit or demonstrate unwelcome, persistent offensive behavior (language, threatening remarks, physical contact or degrading activity) toward one another or toward school employees. Students may file verbal or written complaints with the building principal. All complaints will be promptly and thoroughly investigated by the building principal. The investigation will be confidential. A student who violates this policy is subject to disciplinary action and could lead to suspension and/or expulsion.

B. Verbal:

Harassing another student or school employee on or off school grounds through conduct or communications including, but not limited to, unwelcome sexual advances, requests for sexual favors, inappropriate verbal or physical conduct of a sexual nature, verbal harassment or abuse; repeated remarks to a person with sexual or demeaning implications, pressure for sexual activity; suggesting or demanding sexual involvement accompanied by implied or explicit threats; verbal sexual innuendo, suggestive comments, jokes of a sexual nature, sexual propositions, or threats.

2. Conducting a "campaign of silence" toward a fellow student, staff member, or other person associated with the Corporation by refusing to have any form of social interaction with the person because of, but not limited to, such person's gender, national origin, religious beliefs, and/or disabilities.

B. Nonverbal

Placing in the school environment objects, pictures, or graphic commentaries which should be interpreted as being harassing in nature or making insulting or threatening gestures concerning, but not limited to, of such person's gender, national origin, religious beliefs, and/or disabilities.

C. Physical:

Any threatened, attempted, or actual intimidating or disparaging action against a person because of, but not limited to, that person's gender, national origin, religious beliefs, and/or disabilities.

BULLYING

Bullying—Bullying, as defined by Indiana statute IC 20-33-8-.2, means overt, unwanted, repeated acts or gestures, including verbal or written communications or images transmitted in any manner (including digitally or electronically), physical acts committed, aggression, or any other behaviors, that are committed by a student or group of students against another student with the intent to harass, ridicule, humiliate, intimidate, or harm the other targeted student and create for the targeted student an objectively hostile school environment. (Indiana Department of Education)

HARASSMENT/ BULLYING COMPLAINT PROCEDURES

Any student who believes that she/he is the victim of any of the above actions or has observed such actions taken by another student, staff member, or other person associated with the Corporation should promptly take the following steps:

A. If the alleged harasser is a student, staff member, or other person associated with the Corporation other than the student's principal, the affected student should, as soon as possible after the incident, contact an adult staff member. A parent or student may also submit a bullying complaint via the [school corporation website](#).

B. If the alleged harasser is the student's principal, the affected student should, as soon as possible after the incident, contact an adult staff member or the Superintendent of schools. The student may submit a written or oral

report. The reporting student should provide the name of the person(s) whom he/she believes to be responsible for the harassment and the nature of the harassing incident(s). The report shall be investigated in a timely and confidential manner. While a charge is under investigation, no information will be released to anyone who is not involved with the investigation, except as may be required by law or in the context of a legal or administrative proceeding. No one involved will discuss the subject outside of the investigation. If the investigation reveals that the complaint is valid, then prompt, appropriate remedial and/or disciplinary action will be taken immediately to prevent the continuance of the harassment or its recurrence.

All students are expected to act responsibly, honestly, and with the utmost candor whenever they present harassment allegations or charges against fellow students, a staff member, or others associated with the Corporation. Some forms of sexual harassment of a student by another student may be considered a form of child abuse which will require that the student- abuser be reported to proper authorities.

CHILD ABUSE

Under Indiana law any individual who has a reason to believe a child is a victim of abuse or neglect has the duty to make a report; therefore, each citizen of Indiana is considered a "mandated reporter." While reporting child abuse is everyone's responsibility, Indiana law requires some in certain occupations to automatically do so. These professional reporters are staff members in a medical or other public or private institution, school, facility, or agency. These reporters are legally obligated by their profession to report alleged child abuse or neglect. If you suspect a child is being abused, call the Child Abuse Hotline at 1-800-800-5556. [Click here for more information.](#)

RECOMMENDATIONS FOR STUDENT SUCCESS

PARENTS, STUDENTS, TEACHER RESPONSIBILITIES

Parents cannot be held responsible for their child's assignments, but should provide a positive atmosphere for learning. Teachers are responsible for assigning meaningful work. The teacher is also responsible for attempting to make sure the student has a clear understanding of the individual

assignments. The final responsibility for learning ultimately rests with the student. He or she must provide the energy and the attitude.

HOMEWORK EXPECTATIONS

Homework is an out-of-school assignment that contributes to the educational process of the student; it is an extension of class work and related to the objectives of the curriculum. The student must accept individual responsibility for the completion of homework.

Homework should be used as a "tool" in the evaluation of the progress of the student. It is not mandated that homework assignments be given a letter grade, but in each case, whether graded or not, the homework assignment must be stressed as an integral part of the learning process. Detention could be assigned for missed assignments at the teacher's discretion.

LATE WORK POLICY

Each teacher can set their own late work policy, but any late work must incur a grade deduction. All grading policies can be found in the class syllabus sent home, and signed, at the beginning of the year.

PARENTAL INVOLVEMENT

Parents are encouraged to discuss and/or help students, but shall not actually do the work for them. Involvement of parents, in supervision of and aiding in assignments, can bring about an understanding by the parents of classroom activities. Teachers' contact information can be found [here](#).

EXTRA HELP

It is a student's responsibility to ask for additional help via conferences with teachers before or after school, or at a time convenient to both during the day. *A teacher may, with parent notification, request a student to stay after school if it is apparent that the student is having difficulty with his/her work.*

COMMUNICATION

If a student is struggling in a class, the teacher will give notification to the parent via email, phone call, or progress report. If there is a parental concern about their child's grade in a class, parents should feel free to contact that teacher to discuss the matter. Parents can also check student grades on PowerSchool to monitor student progress. Links to staff email can be found [here](#).

ACADEMIC INFORMATION

SCHOOL IMPROVEMENT GOALS

According to Indiana State Statute all public schools, including traditional and charter, are required to complete a School Improvement Plan (IC 20-31-1-1; IC 20- 24.2-4-4) and submit 511 IAC 6.2-3-5(a) to the IDOE. The Oregon-Davis Jr./Sr. High School's plan can be found [here](#).

CAREER PATHWAYS

The State of Indiana recognizes Next Level Programs of Study, which starts with the 2024 cohort. Information on career pathways can be found [here](#).

GRADUATION REQUIREMENTS

In order to graduate from Oregon-Davis High School, a student must have completed a minimum of forty (40) credits for a General Diploma or a Core 40 Diploma, and forty-seven (47) credits for a Core 40 with Academic Honors, or a Core 40 with Technical Honors Diploma. (Two years of a World Language and/or a Career Academic Sequence, six credits in one subject area, are highly recommended for the Core 40 Diploma.) The coursework will cover a variety of subjects as determined by the State of Indiana and the Oregon-Davis Board of Trustees. In order for a student to be eligible for graduation, he/ she must have met all of the requirements outlined below by the date of graduation. Students who do not complete all requirements by graduation day will not be allowed to walk at graduation.

The Indiana Diploma Requirements for the General Diploma, Core 40, Core 40 with Academic Honors, and Core 40 with Technical Honors can be found on the IDOE website [here](#).

CREDIT CLASSIFICATION FOR CLASS STANDING

Throughout high school, students will remain classified with their cohort (the group with which they entered the ninth grade). Students who have not met all of his/her graduation requirements by the end of his/her senior year, can return to school as a fifth-year senior the following school year to complete the necessary requirements and credits needed to graduate.

Students graduating in 2023 and beyond will be on the [Graduation Pathway](#) and will need to meet requirements in three areas: demonstrate academic

skills (diploma), demonstrate employability skills, and demonstrate postsecondary-ready competencies.

A student that was unsuccessful in completing a postsecondary-readiness competency by the end of the senior year & attempted to achieve at least three (3) separate postsecondary-readiness competencies may be eligible for a waiver. The waiver requirements can be found at the [Indiana DOE website](#) on slides 21 & 22.

WEIGHTED COURSES

Advanced Placement courses will be weighted for Grade Point Average (G.P.A.) considerations. Weighting will be accomplished by adding 1 point to the value of each passing grade. Students are encouraged to take advanced level courses and be challenged while recognizing the importance of advanced level education as they continue their pursuit through their high school career.

ACADEMIC DISHONESTY (PLAGIARISM)

Academic dishonesty in the form of plagiarism or cheating will not be tolerated.

Definitions:

Plagiarism - to take and use as one's own the ideas or writings of another.

Cheat - to practice fraud.

Consequences: Any student attempting to present another person's work (written or otherwise) as their own will receive an "F" or "I" for that assignment **UNTIL** that student makes up the assignment on his or her own. The teacher will contact home, set a timeline for completion, fill out a discipline referral, and MAY assess a point penalty.

GRADE POLICY

Semester grades will be established on three criteria:

1st 9 weeks grade = 40% (2/5) total	3rd 9 weeks grade = 40% (2/5) total
2nd 9 weeks grade = 40% (2/5) total	4th 9 weeks grade = 40% (2/5) total
Semester exam = 20% (1/5) total	Semester exam = 20% (1/5) total

GRADE POLICY EXCEPTIONS

Changes may be made to the above grade policies in cases of extreme extenuating circumstances. Any such changes will be discussed and made at a building level and will be approved by the principal and superintendent. In the event that a change is made, this change will apply to all courses and grade levels.

STUDENT RETENTION

The administration and professional staff at Oregon-Davis Schools want every child to be serious about getting an education, and hope that every student works at their fullest potential. However, on occasion it becomes necessary to forcefully encourage students to achieve towards the best of their ability. Therefore, any student in grades 7 or 8 who does not pass 6 of the 8 semester core courses (English, Math, Science, and Social Studies) each year may be retained and will be required to take that particular grade level over. Students in grades 9-12 must earn credits and/or pass classes which allows them to advance from one grade level to another. A child cannot be retained for the sole purpose of improving the student's ability to participate in extracurricular athletic programs.

SEMESTER TEST POLICY

ALL students will take ALL final exams for each semester. Final exams are an important aspect of the academic process as we prepare students for college and career. Teachers are expected to give final exams at the end of each semester on the dates and at the times they are scheduled. If a student will miss final exams, parents MUST provide written notice to the school main office NO LATER than two weeks in advance of final exams. Students are NOT exempt and MUST make up the exam PRIOR to the end of the grading period (or when grades are due).

Students who are enrolled in an Advanced Placement course and who complete the Advanced Placement Exam MAY be exempt from a semester final in that Advanced Placement course for the 2nd semester ONLY, provided that the teacher has decided to offer this exemption. If the teacher chooses to offer the 2nd Semester exam exemption, it must be offered to ALL STUDENTS who meet the criteria of being enrolled in the Advanced Placement Course AND completing the Advanced Placement Exam.

CLASS RANK, VALEDICTORIAN / SALUTATORIAN, TOP 10% OF GRADUATING CLASS

Class rank is computed by using the semester grades for all semesters that a student has in high school. Each student's grade points will be totaled with the sum being divided by the number of credits represented by the courses in which semester grades were earned. The quotient will be the student's "Grade Index" or "Grade Point Average." The grade indexes will be arranged in numerical order making a class rank list. Each student can then determine his/her class rank from this list which is kept by the counselor. Students who earn a Core 40 with Academic Honors or Core 40 with Technical Honors Diploma will be recognized at graduation. The student who completes high school with the highest accumulated grade point average and has earned an ACADEMIC HONORS DIPLOMA will be class valedictorian. The student who ranks second and has earned an ACADEMIC HONORS DIPLOMA will be class salutatorian. In case of ties or closeness (to within less than .001 point differential) plural awards will be given for valedictorian and salutatorian. The above academic awards will be based on the average of semester grades for 7 1/2 semesters." Students must attend six of eight consecutive semesters at Oregon Davis Jr/Sr High School to be valedictorian or salutatorian.

SCHOOL COUNSELOR

The Guidance Department has been planned primarily to provide students with information and counsel, which will enable them to plan more intelligently their educational and future, and help them succeed in their personal lives as well. The school counselor provides crisis intervention for students and faculty in need, and plans and implements programs to help all students with life, career, and work skills. School counseling is NOT a substitute for longer-term individual or family therapy, but can be a referral source if those services are needed. Parents are strongly urged to call or schedule an appointment with the counselor for any reason.

REGISTRATION AND COURSE SELECTION

Returning students and parents may use the pre-registration form sent home by the school to complete the process. Students new to OD **MUST** register with a parent and meet with the guidance secretary or school counselor to create a student schedule.

STUDENT RECORDS

Parent and student requests to examine personal school records will be honored. Existing federal and state statutes will be followed.

CHANGE OF PHONE, CONTACT, OR RESIDENCY INFORMATION

Communication between the school and the home is done via telephone, email, and/or letter. It is imperative that the correct mailing address, telephone number, and email address be on record. Students who move and/or change their telephone numbers/home address/email address have 10 business days to show proof of residency and should notify the office of such changes.

WITHDRAWAL FROM SCHOOL

Indiana Code 20-33-2-9 states that any student who is at least 16 years of age, but is not yet 18 years of age, *may not withdraw* from school prior to graduation until: 1) an exit interview with the student's parent/guardian is conducted with the principal; 2) the student's parent must give written consent to withdraw; 3) the withdrawal is due to financial hardship, illness, or court order.

RE-ENTRY TO SCHOOL

Families may opt to make online payments using a credit card by visiting the [Make a Payment](#) tab on the school's website.

Unpaid instructional fees from the 2022-2023 school year must still be paid.

ATTENDANCE INFORMATION

OREGON-DAVIS JR/SR HIGH SCHOOL ATTENDANCE POLICY

Research demonstrates that students who regularly attend school achieve higher grades, enjoy school more, and increase their chances of becoming functional, responsible adults. In addition, when students are expected to attend school and be on time for classes, they develop self-discipline and responsibility necessary for life. Students who miss a class will never be able to retrieve completely that learning experience. The interaction with the teacher and fellow students can never be effectively duplicated. Accordingly, if students are to receive maximum benefits from the educational programs of Oregon-Davis Jr/Sr High School, students need to be in attendance on all prescribed school days except those exempted by law or by policies of Oregon-Davis Jr/Sr High School approved by the Oregon-Davis School Corporation.

ATTENDANCE PROCEDURES

1. If a student is absent for any reason the school must be notified before 8:30 a.m. CST with a phone call to (574) 867-4561. Messages may be left on the voicemail. In addition to a phone call, you may send an email to the school secretary, Mrs. McDaniel, at jmcdaniel@od.k12.in.us.
2. In the event a phone call was not made prior to the absence, the student must bring written verification from the parent/guardian, doctor or a proper official or the absence will be considered unexcused and will be treated as a truancy.
3. The teacher will take attendance electronically at the start of each class period.
4. The school discourages students from taking family trips/vacations during the school year. If there is a need for a prearranged absence, the building principal must be notified at least one week in advance or the student will be considered truant. (Prearranged absences will not be excused during final exams.) Prior to leaving, it is the student's responsibility to make arrangements with the individual teachers for the work he/she will miss during the pre-arranged absence.
5. If a student is not in attendance for 50% of the school day (with or without a medical note from a doctor—excused or unexcused), that student is ineligible to attend any school event (practice, game, dance, meeting, etc.)

- Must be in attendance by: 11:00 AM
- OR**
- May not leave until 11:00 AM (doctor's note or exempt only)
 - Or a combination of times from above to equal 50% (215 minutes)
- Individual cases may be looked at by administrators

ATTENDANCE POLICIES--PROJECT ATTEND

Oregon-Davis School Corporation has partnered with Starke County Probation, Starke County Prosecutor's office, and Department of Child Services to implement Project Attend. Project Attend lays out specific steps that will be taken in the event of student truancy and unexcused absences.

ATTENDANCE CLASSIFICATIONS

Excused Absence— An absence permitted by law or by Board adopted policy: These will count toward the number of days a student is absent.

1. Medical necessities as evidenced by notes from parents/guardians or doctors.

2. Service on the precinct election board or as a helper for a political candidate with a pre-approved document from the political party chairman.
3. Active duty with the Indiana National Guard.

8. College visits(s)- 1 in junior year, 2 in senior year if pre-arranged with the Counselor.
9. Field Trips with school staff
 - a. Certain individual trips, a student makes without school personnel, may also be deemed as "field trips", but that is determined on a case-by-case basis with the principal and superintendent approval
 - i. Example: A report given on trip or some other documentation of educational nature

Truancy / Unexcused Absence--The following will count toward the number of days a student is absent:

1. A student will be considered unexcused/truant whenever he/she is absent and the absence does not qualify as an excused or exempt absence.
2. A student will be considered truant whenever he/she is absent and upon returning to school fails to provide proper verification of the absence.
3. A student will be considered truant if he/she leaves a class or the school without permission, is out of the assigned area, or skips class.
4. A student will be considered truant if he/she is more than 10 minutes late to a class and does not have a pass.
5. A student will be considered truant if he/she accumulates 5 tardies, within that class period. These five tardies will become 1 unexcused absence.

CONSEQUENCES FOR EXCESSIVE ABSENCES AND TRUANCIES

[I.C.20-33-2-27](#) states that it is unlawful for a parent to fail to ensure that the parent's child attends school as required.

[I.C. 20-33-3](#) addresses child labor listing limitations and requirements of a child less than 18 obtaining and holding a job.

At 10 absences, regardless of categorization, a meeting with parent/guardian, student, and administration will take place to go over an attendance contract and the student will serve Saturday School.

Students with a total of 15 absences per semester (combination of excused and unexcused absences) will be subject to review for credit loss and/or retention.

TARDY POLICY

Tardy—A student is considered tardy if they are late to class and do not have a pass or if they are not in the room when the bell rings.

Additional teacher rules may apply. To ensure punctuality to class, the following tardy policy has been established for each nine weeks. Tardies are cumulative per class for the nine week period. The consequences are as follows:

1st-2nd- Conference with student

3rd-4th - Conference with student and office contacts the parent/guardian

5th-Assigned a lunch detention

6th-5 additional days of lunch detention

- a. If 5 tardies are accumulated in one class, it will be counted as an unexcused absence.
- b. A conference between admin, the student, and parent/guardian is required
 - Sign Attendance Contract

7th-After School Detention

8th-After School Detention

- Plus, an additional lunch detention

9th-Saturday School

10th-In School Suspension

11th-Conference with Student/Parent and back to 5-lunch detentions and work way back through the offenses

DRIVER'S LICENSES AND ATTENDANCE

Indiana law (IC 9-24-2-1) prohibits the issuance of an operator's license, learner's permit, temporary motorcycle learner's permit, and motorcycle operator's endorsement or license, and invalidates a person's license or permit for any student (less than 18 years of age) who meets any of the following conditions:

1. Two or more suspensions from school for the school year
2. Expelled from school or excluded from school due to misconduct.
3. Indiana Code provides that any person, while, of the ages of 13 and 14, who are considered an habitual truant cannot be issued an operator's license or learner's permit until the age 18.

4. A student who is considered a habitual truant will have their driver's license invalidated by the Bureau of Motor Vehicles for a period of 120 days in compliance with Indiana Statute. Cases in which driving privileges are withheld are subject to review not more than one time per year.

LEAVING SCHOOL DURING THE SCHOOL DAY

Students will not be allowed to leave school during the school day without verbal or written permission from their parent or guardian at least one day prior to leaving, unless the parent/ guardian is picking the student up. In addition, students who leave school grounds at any time during the school day must have the permission of the principal or the principal's designee. Failure to do this will result in the action being considered truant. Students returning to school or students who report late to class must sign in at the office. Written verification from doctors, dentists, and other professionals will be presented at this time. Students who leave school without permission from the principal or the principal's designee will be subject to the same consequences assigned for truancy. Students who are allowed to leave school, but provide transportation for other students who are not given permission, will be considered truant as well. Students will not be allowed to leave school buildings or miss class to run errands, such as returning to a vehicle or returning home to get books and materials.

BUS PASSES BEFORE/AFTER SCHOOL

Students are not permitted to ride a different bus than the bus they take on a normal school day. In these cases, parent/guardian pick up is required.

Students are permitted to ride the bus home with another student who DOES ride the same bus. Notes and/or phone calls must be received by both parties in order for that to be arranged.

ILLNESS OR INJURY DURING SCHOOL DAY

1. The school nurse will generally be available at the high school each day.
2. If a student is ill and wishes to see the nurse, he/she must secure a pass signed by the teacher in charge of the class from which he/she will be absent. Students should not go directly to the nurse, but should bring a pass to the main office so the nurse can be notified.
3. Any students taking medication must notify the school nurse or school administrators and any medication brought to school must be turned in to

the office. State law forbids school personnel to give any medications without a parent's or doctor's authorization.

4. No social visits are allowed in the nurse's office. Students who develop a pattern of visiting the nurse, therefore missing class, will be counseled and contact will be made with parents/guardians.

5. Parents will be notified before a student is to be sent home. It is up to the parent to arrange transportation home for the ill student. Friends or relatives at school will NOT be excused to take another student home.

6. In most cases, students will not be allowed to spend more than one class period in the nurse's office.

7. If a student is in the nurse's office for more than 10 minutes to a class, they will be considered absent for that class period.

8. A student should be fever-free for 24 hours without taking a fever reducing medicine, before returning to school.

9. Students with injuries, illnesses, or rashes should not expect the school nurse to make a diagnosis. They should consult a physician.

10. Students that are sent home by the nurse during the school day will not be eligible for practice and/or contest that day.

MEDICATION

No medication shall be administered to a student without the written and dated consent of the student's parent. All medication brought to the school must be in the original container. Prescription medications may be given by approved school personnel to a student if:

1. Written prescription from the student's physician is included (a prescription bottle label is sufficient)
2. The prescription must include a note from the student's parent authorizing administration.
3. Only medication in its original container will be accepted. It must include the date, student's name, and the name of the medication with the exact dosage.

Nonprescription medications may be given at school if:

1. The medication must be in the original container. Medications will not be accepted in an envelope or plastic bag.
2. The medication must include a note from the parent describing/ naming the medication, the exact dosage, and the time to be given. Oregon-Davis

Schools **does not supply** any over-the-counter medications to students without parental consent.

TRANSPORTATION HOME BECAUSE OF ILLNESS

Before a student who has become ill or injured is sent home, the office will notify the parents or guardians to arrange for transportation. In case of an injury which needs medical attention, an attempt will be made to contact the parent for advice. If a parent cannot be reached in case of an emergency, the student will be taken to a doctor or the hospital. The school does not assume responsibility for payment of these bills.

MAKE UP WORK FOR STUDENT ABSENCES

Students have the same number of days to make up all school related work missed due to an absence as the number of days missed, (eg. student misses 3 days, then the student has 3 days to make up work). It is the student's responsibility to meet with the teacher and/or regularly check online class agendas in order to arrange to complete missed work. Students will have access to **ALL** work missed during any absence regardless of how that absence was classified, and this work will be graded by the teacher--subject to penalties for late work.

Lab work and projects will adhere to the same rules, unless the teacher and student work out another agreement. Once again, it is the student's responsibility to arrange any lab or project make-ups.

MTSS (Multi-tiered System of Supports) TEAM INTERVENTION

1. The MTSS consists of the school counselor, school nurse, school psychologist, special education staff, and several teachers. This team meets monthly, or as needed to discuss and plan interventions to help referred students succeed. The student and/or parent(s) may also be asked to join the meeting; however, interventions are usually recommended by the team only, and a parent letter is sent home describing the recommendations.
2. The administration, staff, parent or student has the right to refer someone to the MTSS if they have tried everything in their power to help the student and need additional help intervening with the student. Typical referrals in the past have been: a sudden change in student achievement, substance abuse, severe disruptive behavior (emotional

or behavioral), extremely low self-esteem, or simple concern about a student and his/her lack of success.

3. Testing through the Joint Educational Services for Special Education (JESSE) may be recommended if interventions have been tried but have failed to help the student succeed. Testing can be done only with parent permission and approval.

AUTHORITY OF STAFF/SCHOOL BEHAVIOR EXPECTATIONS

GUIDELINES FOR STUDENT BEHAVIOR

Students are reminded that they are partners with the faculty, administration, and auxiliary staff at Oregon-Davis Jr/Sr High School. Each of these groups has a specific role in assisting students in fulfilling their potential. A major part of that role is to direct the activities of the students into proper, positive channels. If the students fail to act appropriately, any administrator, faculty, or auxiliary staff has the authority to direct the actions of the students at any place and time on school property or at any school activity.

INAPPROPRIATE BEHAVIORS

Students are expected to show respect to staff, other students, school property, and themselves. Inappropriate behaviors will be addressed in an appropriate manner. Some of these behaviors include, but are not limited to:

- Inappropriate conduct, speech, drawings, or writing--students are entitled to a school environment free from lewd, vulgar, obscene, or sexually explicit language or actions. Conduct that is offensive to the values and standards of the school and community and/or causes a substantial disruption to the school purposes is prohibited. Violations deemed disruptive may be punishable by disciplinary actions including suspension or expulsion. False and malicious statements and/or defamation of character or reputation in writing by any student towards any other person will not be tolerated. Such conduct will be subject to appropriate disciplinary actions including suspension or expulsion.
- Gang related activities--street gangs, criminal organizations, and criminal organization activity have no place at Oregon-Davis Jr/Sr High School. Students who individually, or as a group, act in such a way as to intimidate, threaten, coerce, or physically harm any other student will be subject to the penalties spelled out here. For further information

please see the school corporation's Criminal Organization and Criminal Organization Activity and Policy 5840.

- Inappropriate items. These are items that are disruptive, dangerous, or detrimental to the school and learning process
- Students must not bring open beverage or food containers into the school building. All containers are subject to an inspection.
- Food or drink consumed outside the cafeteria, and in the classrooms, will be at each classroom teacher's discretion. It will be the student's responsibility to know the guidelines set forth by each of his/her teachers/staff members.

CELL PHONE/ELECTRONIC DEVICE CONTENT AND DISPLAY

The Child Abuse/Neglect Law requires school personnel to report to law enforcement or child protective services whenever there is reason to believe that any person/student is involved with "child exploitation" or "child pornography" as defined by [Indiana Criminal Statutes](#).

Because student cell phones have been found in a number of Indiana school districts to have contained evidence of "sexual conduct" as defined above, it is important for parents and students to be aware of the legal consequences should this occur in our school system.

CLASSROOM DISCIPLINE

Teachers are to provide and review with students their classroom expectations, procedures, and rules at their first meetings. These rules and procedures are expected to be followed. If there are infractions, teachers are to work through solutions with students. For major or habitual violations, the student may be referred to the office for further consequences.

PUBLIC DISPLAY OF AFFECTION

Students displaying inappropriate degrees of affection during school or at school functions will be addressed by staff and if they persist, may be referred to the Principal's designee, or a counselor. Kissing, hugging, and all other forms of physical displays of affection are inappropriate and not permitted.

STUDENT DRESS AND GROOMING

The school considers the appearance of students relating to dress and grooming as an important factor for an effective and desirable atmosphere for learning and future work experiences. Student dress and appearance

should not be disruptive or distracting to others. The Oregon-Davis Jr/Sr High School emphasizes cleanliness, neatness, and appropriateness in the educational environment. The decision on the appropriateness of student dress and appearance is ultimately up to the discretion of the school administration. It is the responsibility of the student to consult with the principal if there is a question as to what is acceptable or unacceptable prior to the start of the school day.

- No tank tops/cut-offs, spaghetti straps, open mid-riffs, open backs, or see-thru clothing.
- Shirts must cover the shoulders and have sleeves (cold-shoulder style is acceptable).
- No clothing that exposes undergarments or inappropriate body parts.
- Pants with holes must be below fingertip length, or midhigh.
- No shorts or skirts with holes, and the length must be appropriate and not revealing. Rule of thumb: midhigh or fingertip length
- No open toed shoes may be worn in a lab situation.
- No articles of clothing that display references to tobacco, alcohol products, drugs, sexual innuendos, etc.
- No hats, hoods, or bandanas, unless authorized by the administration.
 - Bandanas made into headbands are acceptable
- No clothing item or personal appearance that causes a disruption of the educational process.

BEHAVIOR IN PUBLIC SPACES

CAFETERIA

The cafeteria is an important part of the building. While this is a less formal environment than a classroom, students are expected to exhibit appropriate behaviors while eating.

Students are encouraged to put money into their lunch accounts before the school day begins. NO food is to be consumed by students outside the cafeteria during the school day. Students are expected to put their trash in the appropriate place, keep their area clean, and push in their chairs when they have finished their lunch or breakfast.

LIBRARY

The library is a study space to which all students will have access. Students are responsible for lost or damaged materials that are taken out of the library. While in this space, it is important for students to respect the rights of other students and maintain a positive learning environment.

GYMNASIUM/OTHER SCHOOL ATHLETIC FIELDS

Students are to follow all school rules at after-school sporting and social events. While we encourage students to be vocal and enthusiastic supporters of athletic teams (good sportsmanship), students need to display appropriate behavior and public decorum. Any inappropriate behavior or language could lead to discipline which may include, but is not limited to being removed from that athletic contest/event to a ban from all after-school activities.

Furthermore, the gym may or may not be open during the last 15 minutes of lunch. Students need to wear appropriate shoes to prevent damage to the surface. Students are expected to act appropriately during this time and are subject to discipline for inappropriate behavior and language.

HALLWAY/PASSING PERIOD

The passing periods are 4-minutes long. Please be sure to use the restroom during passing periods if needed, as class time is valuable instructional time.

While in the hallways, students are to display an appropriate level of respect and courtesy to all staff and fellow classmates. Students should walk--NEVER RUN--through a hall. Do not congregate in the middle of hallways and high traffic areas limiting others' access to pass.

When class is in session, students are NOT to be in the hallways unless for a specific purpose and with a pass from their teacher. Students who leave during classes are to return as quickly as possible to their class.

RESTROOMS/LOCKER ROOMS

Restrooms and locker rooms are to remain neat and in working order. Students should NOT congregate in these areas--get in and get out as quickly as possible. Students should put all trash in the trash cans that are in each of these spaces. Any inappropriate behavior in the restrooms or locker rooms will lead to discipline up to and possibly including restitution and referral to police.

FIELD TRIPS

It is the philosophy of our staff that field trips can be an exciting and effective means of learning for our children. They are an important extension of the classroom, and must be educational in nature and curriculum related. Therefore, children are expected to take part in these learning experiences. However, students will be excluded from these trips if they are receiving an "F" in any of their classes, are a continual discipline problem, and have less than an 80% attendance rate at that point in the school year. Administrative and teacher discretion is also used.

Teachers must acquire approval prior to arranging the field trips, and students and parents will be notified at least one week in advance of the details/itinerary of each trip.

SCHOOL BUS

Riding the school bus is a privilege. Students are expected to maintain appropriate behavior on the bus and follow the direction of the school bus driver. The driver's primary objective is to transport students to and from school in a safe and efficient manner. Any student behavior that hinders that will be addressed. Discipline for school buses will follow the same procedures as a classroom; however, a student may be suspended from riding the bus if inappropriate behaviors persist.

CONSEQUENCES FOR MISBEHAVIOR**DUE PROCESS**

Due process of law will be provided to students in all discipline matters. This includes the opportunity to be informed of the provisions of the Code or other school regulations or procedures allegedly violated. Students will be given the

opportunity to respond. Any student recommended for expulsion shall be entitled to have standard legal procedures provided by law prior to any decision being made on that expulsion.

DETENTION

Detention is considered the basic consequence for misbehavior. A time is assigned for students to serve, and they will serve this in the PASS room. This can be before, after, or during school based on the recommendation by administrators.

POSITIVE ALTERNATIVE TO STUDENT SUSPENSION (PASS)

PASS will be assigned for 1- 5 days and will be supervised by a school staff member. Students are expected to bring all classwork to PASS and keep busy for the entire time. Students will not be allowed to have access to their personal cell phones during this time. If one is brought to PASS, it will be held in the office until the end of the day. Work completed in PASS will be accepted for credit by the students' teachers.

OUT OF SCHOOL SUSPENSION (OSS)

OSS is assigned for 1-10 days. The suspension includes all extracurricular and school sponsored activities including athletics. **Class work during OSS is expected to be completed and will be accepted for credit under the same guidelines as established for students turning work in from absences.**

TOBACCO - ALCOHOL - DRUGS

The following regulations addressing tobacco, alcoholic beverages, and drugs pertain to all campus grounds and all school related functions:

TOBACCO

Students are not permitted to possess, use, or transmit lighters, matches, or any tobacco product--including electronic and vapor smoking devices on school grounds or under any of the conditions above. Students found to be possessing, using, or transmitting tobacco products will be assigned to three (3) days Out- School Suspension for the first violation of this rule, along with an after-school meeting(s) with our county probation officer. A second violation will result in a five (5) day Out-School Suspension, along with an after-school meeting(s) with our county probation officer. Any student

accumulating a third tobacco violation within a school year will be suspended from school for five (5) days, and a recommendation for expulsion will be made to the Superintendent.

ALCOHOL

Students are not permitted to possess, use, transmit, or be under the influence of an alcoholic beverage under the conditions listed above. Students found using, possessing, transmitting, or being under the influence of alcohol will be subject to the following procedures: the student will be suspended from school and a recommendation for expulsion will be made to the Superintendent, along with an after-school meeting(s) with our county probation officer.

DRUGS

A. Any student found possessing, using, transmitting, or being under the influence of any illegal drug will be suspended from school and will be recommended for expulsion from school.

B. A student found acting under the belief or with the intent of possessing, using or transmitting an illegal drug will be subject to the above.

C. A student found possessing, using, transmitting, or being under the influence of caffeine-based pills, substances containing phenylpropanolamine (PPA), or stimulants of ANY KIND without a prescription will be subject to the above procedure.

D. A student found possessing or providing to any person anything used or designed to be used primarily for storage, processing, delivery, or consumption of alcohol, stimulants, hallucinogens, narcotics, intoxicants, inhalants, marijuana, or depressants (e.g. pipes, rolling papers, roach clips, etc.) will be subject to the above procedure. Any student found in violation of the Alcohol and/or Drug policy will automatically be given a chance to seek the appropriate services to address their substance use. At the time of the violation, the student and his/her parent(s) will be given a list of approved facilities in the area who do substance abuse evaluations. The student and family have the option to choose one of the approved facilities, and to complete a substance abuse evaluation, at their own cost. At that time, the evaluator will make a recommendation for intervention, depending on the assessment outcome. The student and family can follow through with what

the evaluator recommends for intervention or choose to not follow through. If the student and family choose not to seek a substance abuse evaluation, immediate action will be taken to expel the student, as the policy states. If the student and family follow through with the evaluator's recommendation and agree to allow the School Counselor and the agency to communicate throughout the intervention process in order to track progress, the student and his/her family would meet with the Principal, the Counselor, and the family to further evaluate and make recommendations on the status of the student at Oregon Davis Jr/Sr High School.

1. A meeting will be held prior to the suspension of any student. At this meeting the student will be entitled to:

- a) a written or verbal statement of the charges
- b) if the student denies the charges, a summary of the evidence against the student will be presented;
- c) the student will be provided an opportunity to explain his or her conduct.

2. The meeting shall precede suspension of the student except where the nature of the misconduct requires immediate removal. In such situations, the meeting will follow the suspension as soon as reasonably possible following the date of the suspension.

3. Following the suspension, the parent or guardian of a suspended student will be notified in writing. The notification will include the dates of the suspension, describe the student's misconduct, and the action taken by the principal.

4. The suspension includes all extracurricular and school sponsored activities including athletics. When a principal (or designee) recommends to the superintendent (or designee) that a student be expelled from school, the following procedures will be followed:

1. The superintendent (or designee) may conduct an expulsion meeting, or may appoint one of the following persons to conduct the expulsion meeting:

a. A member of the administrative staff who did not expel the student during the current school year and was not involved in the events giving rise to the expulsion.

Failure by a student or a student's parent/guardian to request and to appear at this meeting will be deemed a waiver of rights administratively to contest the expulsion or to appeal it to the school board.

3. The notice of the right to an expulsion meeting will be in writing, delivered by certified mail or by personal delivery, and contain the

reasons for the expulsion and the procedure for requesting the meeting.

4. At the expulsion meeting, the principal (or designee), will present evidence to support the charges against the student. The student or parent will have the opportunity to answer the charges against, and to present evidence to support the student's position.

5. If an expulsion meeting is held, the person conducting the expulsion meeting will make a written summary of the evidence heard at the meeting, take any action found to be appropriate, and give notice of the action taken to the student and the student's parent. The student or parent has the right to appeal the decision of the person conducting the expulsion meeting to the school board within 10 days of the receipt of the notice of the action taken. The student or parent appeal to the school board must be in writing. If an appeal is properly made, the board must consider the appeal unless the board votes not to hear the appeal. If the board hears the appeal, it will consider the written summary of the expulsion meeting and the arguments of both the school administration and the student and/or the student's parent. The board will then take any action deemed appropriate.
